Two unique ways to plant trees on Arbor Day:  
-----

Help us plant memorial trees! We're honoring the lives of the men, women, and children who died on September 11. To help, visit your local Eddie Bauer store and support the Memorial Tree Groves program with a dollar donation to plant trees.

You can also visit one of 1600 IGA grocery stores and plant trees through the AMERICAN FORESTS' Patriot Trees for America Campaign. From April 27 to May 10, IGA cashiers will invite customers to make donations to plant trees in their community to remember those who lost their lives on September 11. Send a friend a post card about our tree-planting program with IGA: (Link here from Josh)
